ASIAN Home Products, producer of high quality cakes and baked foods, launches a series of cakes for giving away as corporate gifts. These cakes are made of the finest ingredients in a totally hygienic environment using proven processes that ensure consistent quality and taste.

When you are gifting an Asian Gift Cake to your customer, you are in fact gifting not just a cake but a whole treat... and a memorable experience.

The cakes are packaged in tins or cardboard containers suitably gift wrapped for presentation to your valuable customers. We can also print your corporate logo on the wrapper to lend a personal touch that your customer would cherish forever.
